TECHNICAL COLLABORATION WITH PRIDE INTERNATIONAL LUBRICANTS CO. L.L.C AJMAN, U.A.E

MDT LUBRICANTS

MDT LUBRICANTS INDIA INC

Innovation, combined with customer service, quality and value commitments, have made MDT Lubricants from a vibrant leader in the lubricants market. In today's dynamic business environment, high performance lubricants are critical components for productivity and they contribute significantly in value creation.

QUALITY AND SERVICE

Our main focus on quality and service is not only limited to providing the superior technology but also understanding our customer's expectations and putting the right guidelines and service standards in place to exceed them. Our quality control measures and management process ensures that our products and service are of top most quality and satisfy our customers need.

THE PLANT AND LABORATORY

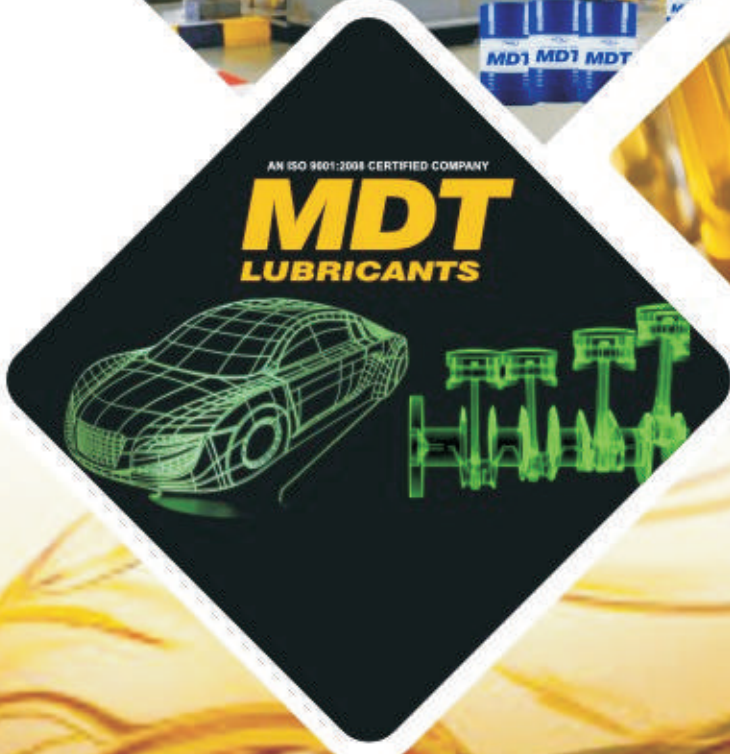

MDT has chosen the world's most advanced technology in order to create the product of impeccable purity backed by the careful selection of acknowledged experts.

A unique feature of the plant is the modern blending facilities, dedicated tanks with superior blending mechanism which ensures high performance quality products. The laboratory is the heart of quality control at MDT Lubricants.

A well-equipped and sophisticated laboratory has been set up to ensure the quality consistency and to monitor the technical specification profile of both the raw materials and the finished products of various grades. The Technical Collaboration with Pride International Lubricants Co. L.L.C Ajman, U.A.E gives a unique pace in modern research and development.

MDT LUBRICANTS

TWO WHEELER ENGINE OIL

4T ENGINE OIL

API:SM

SAE:20W40

MDT 4T Synthetic is formulated with Unique Molecular Formula which clings to the engine components and gives it the best protection in all weather condition. High TBN and adequate additive dose ensures superior performance and utmost power

Superior Engine Protection

High Power Output

Better Fuel Efficiency

Long Oil Drain Interval

PRODUCT NAME	SAE GRADE	GRADE
MDT PERFORMANCE	10W-30	API SN
MDT PERFORMANCE	20W-50	API SN
SUPER 4T	20W-40	API SL
SUPER 2T	JASO	FC:TC

Pack sizes:

900ml, 1 Ltr, 500ml

ENGINE OIL

MDT ASPHALT

MULTIGRADE ENGINE OIL

SAE: 20W40

API: CF-4

MDT ASPHALT is premium quality multigrade engine oil formulated with Pro Power additives and high TBN Boosters. Adequate dosage of ProPower additives assures immense power and maximum protection to the engine.

Pack Size:

500ml, 1ltr, 3 ltr, 5 ltr, 7.5ltr, 10ltr, 20ltr, 50 ltr, 205ltr.

MDT POLARIS

TURBO SPECIAL ENGINE OIL

SAE: 15W40

API: CH-4, CI-4/SL+

MDT POLARIS is heavy duty, turbo special diesel engine oil fortified with Active Power Molecular Technology which gives superior protection to critical engine components. The Power molecules boost the engine performance and gives excellent load carrying capacity.

- Superior Engine Protection
- High Power Output
- Excellent load capacity
- Long Oil Drain Interval

Pack Size:

1 ltr, 3 ltr, 5 ltr, 7.5 ltr, 10 ltr, 15 ltr, 20 ltr, 50 ltr & 205 ltr.

ENGINE OIL

MDT PRO FORCE

SAE:20W40

API:CF.SF

MDT PRO FORCE is a high performance multigrade engine oil, formulated with active soot reducing additives which assures excellent protection against high temperature engine deposit and oil degradation. The high pressure blending technology binds the oil molecule together and gives longer oil life even in rough weather conditions.

Pack size:

500ml, 1 Ltr, 1.5 Ltr, 3 Ltr, 5 Ltr, 7.5 Ltr, 10ltr, 20 Ltr, 50ltr, 205ltr

CNG ENGINE OIL

MDT RADON GT

API:SL/CF

SAE:20W50

MDT PREMIUM CNG is specifically formulated for CNG/LPG fuelled engines. Fortified with advance additives to provide superior detergency, oxidation and nitration resistance and protection against engine wear and corrosion.

- High Fuel Efficiency
- Optimum Engine protection
- Superior Sludge Protection
- Long Oil drain Interval

Pack Size:

1 Ltr, 3 Ltr, 50 Ltr, 205 Ltr.

AGRICULTURAL LUBRICANTS

MDT

TAURUS

TRACTOR ENGINE OIL

API :CF/SF & API:CH-4

SAE:20W40 SAE:15W40

MDT TAURUS is a multigrade engine oil which is specifically formulated for modern day farm tractors. This high performance engine oil gives immense power to the engine and solid strength to the tractor. As per the manufacturer's recommendation, MDT Taurus is available in two different viscosity GRADE:SAE:15W40 & SAE:20W40.

Pack Size:

6ltr, 50 ltr & 205 Ltr

MDT PUMP SET OIL

MDT

PUMP SET OIL

MDT PSO is a multi-grade viscosity oil specifically designed for agricultural Pump-sets running on diesel, kerosene or Light Diesel Oil (LDO). The product is made from paraffinic base stock and fortified with special additives to deliver performance benefits in the pump-sets used in agricultural and farming activities.

Pack Size:

1Ltr., 1.2 Ltr., 1.5 Ltr., 3.5 Ltr., 5 Ltr., 50 Ltr. & 205 Ltr.

ENGINE OIL

MDT ENERGY MULTIGRADE

ENGINE OIL SAE-20W40

MDT Energy is a high performance multigrade (SAE20W-40) engine oil, meeting API CF/SF and EDL 2 / EPL 2 specifications. It is specially formulated from petroleum mineral oil, fortified with additives, to meet antiwear and foam inhibitor requirements of petrol / diesel pump sets used for agriculture applications. Recommended for all types of Pump-sets. The product is also suitable for other Agricultural and Farm Equipment like Tractors, Power tillers, harvesters etc.

Pack Size:

500ml, 1Ltr., 1.5Ltr., 5Ltr., 50Ltr., 205 Ltr

HYDRAULIC AW-68/32/46/100

MDT HYDRAULIC OIL AW

MDT Anti-wear Hydraulic Oil is a high performance hydraulic oil developed for high pressure hydraulic systems operating under moderate to severe conditions in mobile and industrial service. MDT Hydraulic Oil is formulated from highly refined base stocks and carefully selected additives to provide outstanding anti-wear properties, excellent oxidation stability, superior demulsibility and corrosion protection.

Pack sizes:

1 Ltr, 5Ltr, 10Ltr, 20Ltr, 26Ltr, 50Ltr, 205Ltr

MDT ATF

MDT AUTOMATIC TRANSMISSION FLUID

T.Q-A STEERING OIL

APPLICATIONS

Both on-highway and off-highway, heavy-duty automatic transmission unit and light truck automatic transmissions. Power steering units, Rotary vane and screw type air compressors, Mobile hydraulic systems &. Industrial anti-wear hydraulic systems. Marine anti-wear hydraulic systems, Manual transmissions and transaxles.

Pack sizes:

500ml, 1Ltr, 5Ltr, 20 Ltr, 50Ltr, 205 Ltr

UNIVERSAL TRACTOR TRANSMISSION FLUID

MDT UTTF

WET BRAKE OIL

MDT UTTF is a premium multi-functional universal tractor transmission fluid (UTTF) for use in transmissions, final drives and hydraulic systems of modern farm and industrial wheel and crawler tractors and off-road equipment where fluids meeting major UTTF specifications are recommended.

- Gear protection for transmissions, axles and final drive.
- Superior Anti-wear and corrosion protection.
- Low temperature flow performance
- Optimum hydraulic pump durability and good shear stability.

Pack sizes:

1 Ltr, 5Ltr, 10Ltr, 20Ltr, 50Ltr, 205Ltr

MDT ATF

MDT AUTOMATIC TRANSMISSION FLUID

T.Q-A STEERING OIL

APPLICATIONS

Both on-highway and off-highway, heavy-duty automatic transmission unit and light truck automatic transmissions. Power steering units, Rotary vane and screw type air compressors, Mobile hydraulic systems & Industrial anti-wear hydraulic systems. Marine anti-wear hydraulic systems, Manual transmissions and transaxles.

Pack sizes:

500ml, 1Ltr, 5Ltr, 20 Ltr, 50Ltr, 205 Ltr

UNIVERSAL TRACTOR TRANSMISSION FLUID

MDT **UTTF**

WET BRAKE OIL

MDT UTTF is a premium multi-functional universal tractor transmission fluid (UTTF) for use in transmissions, final drives and hydraulic systems of modern farm and industrial wheel and crawler tractors and off-road equipment where fluids meeting major UTTF specifications are recommended.

- Gear protection for transmissions, axles and final drive.
- Superior Anti-wear and corrosion protection.
- Low temperature flow performance
- Optimum hydraulic pump durability and good shear stability.

Pack sizes:

1 Ltr, 5Ltr, 10Ltr, 20Ltr, 50Ltr, 205Ltr

GEAR OIL

MDT DISCOVERY GT

EP-90/140 **GEAR OIL GL-4**

MDT DISCOVERY is a high performance automotive gear oil formulated with Extreme Pressure additives to help minimize gear wear from shock load. The excellent Anti-wear and Anti-corrosion properties protect gears from scuffing, scouring, corrosion and pitting.

Pack sizes:

500ml, 1Ltr, 5Ltr, 10 Ltr, 20 Ltr, 26Ltr, 50Ltr, 205 Ltr

GEAR OIL

MDT DISCOVERY GTX

80W90 & 85W140 **GEAR OIL GL-5**

MDT DISCOVERY is a high performance automotive gear oil formulated with Extreme Pressure additives to help minimize gear wear from shock load. The excellent Anti-wear and Anti-corrosion properties protect gears from scuffing, scouring, corrosion and pitting.

Pack sizes:

500ml, 1Ltr, 5Ltr, 10 Ltr, 20 Ltr, 26Ltr, 50Ltr, 205 Ltr

MDT SHOCKER OIL

MDT

SHOCKER OIL

MDT Shocker Oil is formulated using high-performance base stock & combination of additives so as to provide excellent damping effect for shock absorbers used in motorcycles. It has excellent viscosity, oxidation stability and anti-foam properties for longer oil life.

Pack sizes:

175ml, 350ml, & 205 Ltr.

MDT RADIATOR COOLANT

MDT

COOLANT 1:5

MDT COOLANT is a high-performance engine coolant with Ethylene Glycol base for use in radiators. With its innovative formulation, it prevents cooling system from corrosion thereby increasing the engine life. MDT Coolant is 100% concentrated coolant and should be used in 1:3 or 1:5 with water as per vehicle's manufacturer's recommendation.

Pack sizes:

1 Ltr, 3Ltr., 50 Ltr. & 205 Ltr.

GREASES

MDT

APLR GREASE

LITHIUM BASED GREASE

MDT APLR 50000 is a high performance lithium complex grease designed for lubrication in automotive equipment and industrial purpose. MDT APLR 50000 is manufactured from high quality mineral base fluid and superior lithium complex soap thickener fortified with additional additives to impart strong anti-oxidation and corrosion-resistive properties.

APPLICATION

MDT LR 50000 is recommended to be used in high performance wheel- wearing, chassis points and water pump bearings. MDT LR 50000 grease provides long term protection to the rolling elements over a wide temperature range.

Pack sizes:

500gm, 1Kg, 2Kg, 3Kg, 5Kg, 7Kg, 10Kg, 18Kg, 180Kg

MDT RED GEL GREASES

MDT

RED GEL GREASE

MDT GEL GREASE is a premium quality, super smooth, transparent and extra durable lubricating grease. It is developed from premium base oil, special lithium semi – complex thickener technology and advance additives package.

APPLICATION

MDT GEL GREASE is an advanced grease, designed to operate undermost extreme conditions, requiring high grade friction reducing material with minimum drop point 250 and excellent load bearing properties.

MDT GEL GREASE can be used in plain and anti-friction bearings operating under extreme load conditions in various heavy duty industrial applications, and automotive industries.

Pack sizes:

500gm, 1Kg, 2Kg, 3Kg, 5Kg, 7Kg, 10Kg, 18Kg, 180Kg

RED ULTRA GEL GREASE

MDT

RED ULTRA

GEL TECHNOLOGY GREASE

MDT RED ULTRA is complex chemical, multi-purpose grease with characteristics of high temperature and water resistant properties. Manufactured from high quality mineral base stocks and superior additives to impart desired characteristics to the grease.

Pack sizes:

200gm, 500gm, 1Kg, 2Kg, 3Kg, 5Kg, 10Kg, 18Kg

CHASSIS GREASE

MDT

SUPER DX

MDT CHASSIS GREASE

MDT Chassis Grease is a calcium soap grease designed for general chassis lubrication. Also recommended for the lubrication of truck rollers and idlers of certain crawler type tractors.

Pack sizes:

500gm, 1Kg, 2Kg, 3Kg, 5Kg, 10Kg, 18Kg
